Did you know...

that our pools are geo-thermally heated and cooled? This cost-effective, environmentally friendly heating/cooling alternative will keep our lap pool at 85 degrees, the lagoon pool at 84, and the kiddy pool at 86. The hot tub is always 103 degrees. (Exception would be during periods of unusually cold weather.)

Please register your House Guests in advance. Just have the stop by the Front Desk and we will activate the House Guest Card.

Reciprocal Membership Privileges - May through October 31st. [BROCHURE](#) Contact the Front Desk Staff for arrangements.
